AHR Expo Attendees that Participate in the *10 Minute TechTalks* at the Parker Sporlan Booth will be Registered for a Chance to Win an iPad2

CHICAGO, IL - January 23, 2012 - Parker Hannifin Corporation, the global leader in motion and control technologies, is featuring *10 Minute TechTalks* at the 2012 AHR Expo. *10 Minute TechTalk* sessions will be held each hour at the Parker Sporlan Booth and will provide AHR Expo attendees with access to the company's refrigeration and air conditioning experts. Additionally, session participants will be registered in a drawing to win an iPad2.

Drawing on the rich Sporlan history of training refrigeration and air conditioning professionals, *10 Minute TechTalks* will focus on industry and product topics including: CO₂ and Supermarkets, Hydrocarbons, MT Modulating Valve Controllers, MT Alliance Enterprise Service Management, Sporlan Flush-All, Contaminant Controls, How to Adjust a TEV and How to Use a P-T Chart.

The talks will be held Monday through Wednesday at the Parker Sporlan booth -- #5135. A full schedule of sessions is available at the booth. The drawing for the winner of the iPad will be held at 3 p.m. on Wednesday.

For more information contact Parker Hannifin – Sporlan Division, 206 Lange Drive, Washington, MO 63090, Phone 636-239-1111.

With annual sales of \$12 billion in fiscal year 2011, Parker Hannifin is the world's leading diversified manufacturer of motion and control technologies and systems, providing precision-engineered solutions for a wide variety of mobile, industrial and aerospace markets. The company employs approximately 55,000 people in 46 countries around the world. Parker has increased its annual dividends paid to shareholders for 54 consecutive years, among the top five longest-running dividend-increase records in the S&P 500 index.
